

REMARKS

In the Office Action mailed on November 22, 2004, the Examiner rejected pending claims 1-15 for obviousness-type double patenting and required the timely filing of terminal disclaimers. A review of Applicant's file indicated that two (2) Terminal Disclaimers were filed with the patent application on February 3, 2004. A copy of each Terminal Disclaimer along with the Transmittal Letter and stamped postcard acknowledging receipt of the Terminal Disclaimers at the U.S. Patent Office are enclosed. A telephone conference on this date between the Examiner and the undersigned led to the discovery that the Terminal Disclaimers are no longer in the file at the U.S. Patent Office. In accordance with the Examiner's request, the original Terminal Disclaimers, postcard, and transmittal are being faxed to the U.S. Patent Office. A typographical error in one of the Terminal Disclaimers has been corrected in a Corrected Terminal Disclaimer that is also enclosed with this Response. Applicant submits the application has been and remains in condition for allowance.

Respectfully Submitted,

David M. Lockman
